

VIOLET WATER SUPPLY CORPORATION

STAGE 2 DROUGHT RESTRICTION GUIDELINES

BASICS:

- Because of low lake levels, Violet Water Supply and the City of Corpus Christi have implemented Stage 2 of its Drought Contingency Plan
- Stage 2 measures are enacted on January 1, 2021 and enforcement begins on Friday January 1, 2021.
- These measures apply to **ALL** Violet Water Supply Customers.

WATER USES AND DROUGHT MEASURES:

- Sprinkler Irrigation – Limited to **ONE DAY PER WEEK**. Violet WSC's designated water day is **MONDAY**.
- Hand-Held and Drip Irrigation – Allowed any time, and, any day with a hand-held bucket, hand-held hose, or drip irrigation system equipped with a positive shutoff nozzle (includes soaker hoses).
- Car Washing – Limited to designated watering day (**MONDAY**) except at a commercial car wash. Car washing at home shall be done with a hand-held bucket or a hand-held hose equipped with a positive shut-off valve.
- Filling Pools – Limited to designated watering day (**MONDAY**).
- Decorative Ponds, Fountains, and Waterfalls – All residential fountains and indoor commercial fountains are permitted to operate. Outdoor commercial fountains can operate but must have a variance permit
- Washing Buildings, Sidewalks, etc. – Prohibited, except for business purposes or if in interest of public health and safety.
- Water Use from Hydrants – Permitted for Construction purposes (i.e. dust control) with special permit. Water is also permitted for firefighting and purposes necessary to maintain public health, safety, and welfare (i.e. flushing dead-end mains)
- Foundations – The use of water to maintain the integrity of building foundations is permitted on any day at any time only by use of hand-held or drip hose.

ALWAYS IN EFFECT:

- No sprinkler irrigation between 10 am and 6 pm.
- No person shall allow water to run off a property into streets or storm drains.
- No person shall allow water to flow constantly through a tap, hydrant, or valve.
- Defective plumbing resulting in water loss or leaks must be repaired.
- No person shall use any non-recycling decorative water fountain.
- Irrigation heads or sprinklers are not permitted to spray directly on paved surfaces, such as driveways or sidewalks in public right-of-ways.
- An irrigation system cannot operate at water pressures higher than recommended, causing heads to mist or to operate with broken heads.
